

Playball Classes

Wednesday After School Classes – For Reception and Yr 1

Playball is a multi-sport and movement programme. The life skills we teach, as well as the physical development of the children, are crucial to develop well adjusted and balanced children, on the sports field and in the classroom.

Your child will not only improve their sport techniques but our specially designed, age specific programme, also develops their listening, concentration, confidence, social and cognitive skills.

Our action-packed curriculum will engage your little one in fun, age-appropriate, high quality games and activities, ensuring that they have a positive experience and enjoy every minute of being physically active!
